

**Stuff the Bus 2016  
has come to a  
close and the  
results are in...**

Over **800 backpacks** were stuffed and distributed to **26 agencies** serving communities in need all throughout Ventura County. We collected over **10,000 school supply items.**

**58 volunteers** sorted supplies and packed backpacks giving **100 hours of service** to our community.

Of course none of this would have been possible without the help of the **60 collection sites** hosted by libraries, offices and corporations.

Thank you to sponsor CBC Federal Credit Union and transportation sponsors UPS and Roadrunner Shuttle

*Thank you for helping to send  
children back to school ready to  
learn*
