## We Are Women United.®

As an integral part of United Way, Women United® fights for the health, education, and financial stability of every person in every community. We are a diverse, vibrant community, bound together by a powerful sense of belonging – to each other, to the organization’s mission, and to the communities we call home. Our powerful, global network of women leaders, over 70,000 strong, lives united against the most critical issues facing more than 165 communities in six countries.

## We Ignite Change.

Communities need champions who understand their problems, see their potential, and will offer solutions that will make a difference. And global change is only possible when there is a vast and organized network that can lift up proven strategies and bring them to other communities. We ignite the power of women—who bring the passion, expertise, and resources needed to get things done – to create lasting change in their communities.

## Our Mission.

Our mission is to mobilize the power of women as change-makers, creating a community where women, families and communities thrive. We aspire to transform local, organic growth into exponential, enterprise-level growth, by rallying our strong and passionate women leaders around an enthusiastically positive vision for the future.

## Join Us.

Women United is at the forefront of United Way’s movement to build stronger communities. Join a diverse group of women leaders who are engaged with philanthropy, volunteerism and advocacy.

## POWER OF THE PURSE TICKETS

“Dig Deep in your purse today” for a Women United cause!

Opportunity to win one or more luxury designer purse(s) worth approximately \$150 - \$1500.

The more tickets you buy - the more chances of winning!

Several drawings at end of event.

**1 for \$10.00, 3 for \$20 or 10 for \$50**

**Tickets available at event**

*100% of all proceeds benefit United Way programs.*

Women involved in Women United see the communities they serve as an extension of their family. This is key, because women reinvest an average of 90% of their income in their families, compared to 30-40% reinvestment from men.
