

# IT'S TIME TO ...

United Way of  
Ventura County

## Help United Way of Ventura County provide essential school supplies for 2,000 youth

All donations will be used to fill backpacks for at-risk students in Ventura County. You can help pave the path to academic success. Your support not only provides essential school supplies - studies show that it also promotes learning, building self-esteem, and helps ensure that our youth stay in school.

**HOST A SCHOOL
