

2026 SPONSORSHIP OPPORTUNITIES

Nearly 9,500 youth have been identified as homeless in Ventura County. Help us support local youth experiencing homelessness as they head back to school. Your contribution will help provide them with brand-new backpacks filled with essential supplies they need to succeed in the classroom. By giving, you're doing more than supplying materials—you're helping create opportunities. Access to proper school supplies has been shown to boost learning, build self-confidence, and encourage students to stay engaged in their education. Together, we can help set our youth on a path toward academic success.
